The image shows a woman in a blue sari with gold jewelry, smiling as she lights a diya. In the foreground, there are several lit diyas and orange marigold flowers. Overlaid on the right is a smartphone screen displaying a Google search for 'Tealight Holder'. The search results show two sponsored listings for 'Tealight Holder' priced at ₹800 and ₹900, both with 5-star ratings and 'Shop now' buttons. Below these is another sponsored listing for 'Home Decor Store' with a 50% off promotion. At the bottom right of the phone screen, a speech bubble says: 'I'm powered by Google AI. Customer acquisition

☐ Only bid for new customers

Your campaign will be limited to only new customers, regardless of your bid strategy

By default, your campaign bids equally for new and existing customers. However, you can configure your customer acquisition settings to optimize for acquiring new customers. [Learn more about customer acquisition](#)

Customer retention

☐ Adjust your bidding to help re-engage lapsed customers
