ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, **Dr. Vinita Mathur**, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success of this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With sincere appreciation,

Meenakshi Mali

Do you need to create a business portfolio first?

A business portfolio brings your Facebook Pages, Instagram profiles and the people who work on them together. This may be the right choice if you need to:

- Manage multiple businesses in one place or have a team with multiple people
- Use more than one Meta Pixel
- Add a catalog for online sales or use advanced tools like Shops

Instagram Connection

Connect to Instagram

Only an Instagram professional account can be connected to a Facebook Page and this connection may be viewable by others.

After connecting your Facebook Page **Orelian** to Instagram, people who manage the Page or Instagram profile will be able to manage tasks for both profiles. Review people's assigned access in [Settings](#).

Depending on people's assigned access, these tasks may include:

- Content and ads
- Insights
- Messages and comments
- Settings and permissions

Connecting business assets lets you access more professional features. We'll use info across connected assets to enhance your experience on our business products. [About connected assets](#)
